

Annexation Review Criteria

- Consistent with Future Land Use Map.
- Consistent with the Goals and Policies Found in the Comprehensive Plan.
- Zoning is assigned following consideration of such items as street classification, traffic patterns, existing development, future land uses, community plans, and geographic or natural features. Encourage a balance of land uses to help Post Falls remain a desirable, stable, and sustainable community.
- Commercial and high-density residential zoning is typically assigned along streets with a higher road classification.
- Limited or neighborhood commercial and lower density residential zoning is typically assigned for properties as they proceed farther away from the higher intensity urban activity. Ensure that adequate land is available for future housing needs.
- Industrial zoning is typically assigned for properties with sufficient access to major transportation routes and may be situated away from residential zoning.
