## Project: Community Garden Parking Lot

---

### Project Details and Park Improvements:

1. Construction of a parking lot
2. New sidewalks and trails
3. Expanded patio for the Rotary Building
4. New Parking lot and swale demonstration garden plantings
5. Additional site furnishings

---

### Impacts on Park Users:

1. There will be no park access from 3<sup>rd</sup> Ave for the public. Other than the rented garden plots, the entire park will be close to the public.
2. The rented garden plot will be accessed from the Centennial trail through the gates at the east end.
  - This will be non-vehicular access only.

---

### Timeline:

Start of Construction:	May 2024
Anticipated Completion:	September 2024
