## Project: Woodbridge Playground and Shelter

---

### Project Details and Park Improvements:

1. Installation of a new park playground.
  - 2-5 year-old structure, 5-12 year-old structure, and swings
2. New covered pavilion
3. Additional sidewalks and landscaping
4. New site furnishings
5. Expansion to the existing restroom building for recreation storage

---

### Impacts on Park Users:

1. The eastern end of the lawn area will be closed.
2. The restroom building will be closed.
  - Portable restrooms will be onsite during the duration of construction for public use.
3. The southern half of the parking lot will be closed.
4. The existing playground will be open for use during construction.

---

### Timeline:

Start of Construction:	February 2024
Anticipated Completion:	September 2024
