DECLARATION OF CONFLICT, EX-PARTE CONTACTS AND SITE VISITS

Commission members are requested to declare if there is a conflict of interest, real or potential, pertaining to items on the agenda.

1. CONSENT CALENDAR

The consent calendar includes items which require formal Commission action, but which are typically routine or not of great controversy. Individual Commission members may ask that any specific item be removed from the consent calendar in order that it be discussed in greater detail. Explanatory information is included in the Commission agenda packet regarding these items and any contingencies are part of the approval.

ACTION ITEMS:

- a. Meeting Minutes 12-13-2022
- b. Zoning Recommendation Nagra Annexation File No. ANN-22-11
- c. Reasoned Decision Sinclair Addition Special Use Permit File No. SUP-22-4

2. CITIZEN ISSUES

This section of the agenda is reserved for citizens wishing to address the Commission on an issue that is not on the agenda. Persons wishing to speak will have 5 minutes. Comments related to pending public hearings, including decisions that may be appealed to the City Council, are out of order and should be held for that public hearing. Repeated comments regarding the same or similar topics previously addressed are out of order and will not be allowed. Comments regarding performance by city employees are inappropriate at this time and should be directed to the Mayor, by subsequent appointment. In order to ensure adequate public notice, Idaho Law provides that any item, other than emergencies, requiring action must be placed on the agenda of an upcoming meeting. As such, the Commission cannot take action on items raised during citizens issues at the same meeting but may request additional information or that the item be placed on a future agenda.

3. UNFINISHED / OLD BUSINESS

This section of the agenda is to continue consideration of items that have been previously discussed by the Planning and Zoning Commission.

- A. ***Continued* Recommendation** Development Impact Fee Update – Jon Manley, Planning Manager, to present an amendment to the Development Impact Fee to accomplish: Adjust impact fees based upon inflationary cost escalations, Basis on a ten (10) to twenty (20) year growth cost depending on the Impact Fee category.

4. PUBLIC HEARINGS

There are generally two types of public hearings. In a legislative hearing, such as adopting an ordinance amending the zoning code or Comprehensive Plan amendments, the Mayor and City Council may consider any input provided by the public. In quasi-judicial hearings, such as subdivisions, special use permits and zone change requests, the Mayor and City Council must follow procedures similar to those used in court to ensure the fairness of the hearing. Additionally, the Mayor and City Council can only consider testimony that relates to the adopted approval criteria for each matter. Residents or visitors wishing to testify upon an item before the Council must sign up in advance and provide enough information to allow the Clerk to properly record their testimony in the official record of the City Council. Hearing procedures call for submission of information from City staff, then presentation by the applicant (15 min.), followed by public testimony (4 min. each) and finally the applicant's rebuttal testimony (8 min.). Testimony should be addressed to the City Council, only address the relevant approval criteria (in quasi-judicial matters) and not be unduly repetitious.

ACTION ITEMS:

- A. **Recommendation** D-Bat Facility Zone Change File No. ZC-22-6 – Ethan Porter, Associate Planner, to present a request to rezone approximately 2.13 acres from Heavy Industrial (HI) to Industrial (I).
